RIGHT OF WITHDRAWAL

As a consumer, you have a 30-day right of withdrawal when you shop with us.

If you have purchased multiple items from us, you have the option to return one or more items, even if they were purchased in one order. Please note that we do not refund shipping costs when you cancel part of your purchase.

The withdrawal period expires 30 days after you receive your goods. If you have ordered multiple different items in one order but they are delivered separately, the deadline runs from the day you receive the last item.

The deadline means that you have 30 days from receipt to notify us that you want to cancel your purchase. You can send an email to webshop@molo.com or return your purchased items as described below. You can also use the standard withdrawal form provided at the end of these terms and conditions, but it is not mandatory.

You cannot cancel the purchase by refusing to receive the item without also notifying us. For unclaimed packages returned to us, we reserve the right to charge a return fee to cover our costs.

RETURNS

Return the items without undue delay, and no later than 14 days after notifying us that you wish to cancel your purchase. If the last day for exercising the right of withdrawal falls on a holiday, a Saturday, Sunday, December 24th, or December 31st, the deadline is extended to the following working day.

You may fill out the return form enclosed with your package to help us process your return smoothly. Return the items to us via a carrier of your choice. Please ensure that packages are delivered directly to our warehouse at Molo A/S, Traneholmvej 2, 2680 Solrød Strand, Denmark. Please avoid sending packages cash on delivery, to parcel shops, or without delivery, as these will be returned unclaimed.

Please note that all shipping costs are your responsibility, and you will be held liable if the package or any items are damaged during transport.

EXCHANGES

If you wish to exchange an item for a different size or product, please place a new order on our website and return the originally received items within 30 days, as described above.

Unfortunately, exchanging or returning items purchased on our website cannot be processed at our physical stores.

CONDITION OF THE ITEM UPON RETURN

To receive the full purchase amount upon return, you must test the item as if you were trying it on in a physical store. If the item has lost value because you have used it in a way other than what was necessary to determine the nature, characteristics, and way it works, you can only get part of the purchase amount back. The amount you can get back depends on the commercial value of the item, and in some cases, it may mean that you can only get back the shipping costs.

Therefore, we recommend that all items are returned in the same condition as you received them. This means that the items must not be damaged, dirty, washed, altered, or used (for anything other than trying them on), and that all price tags and labels are intact if you want to be sure to get all your money back.

We recommend that you return the item in its original packaging. If the original packaging is missing, it may reduce the value of the item.

REFUND

If you regret your purchase, you will get your money back. If the item has decreased in value, we will deduct the amount for which you are liable.

We refund all payments received from you, including delivery costs, no later than 14 days from the day we received your notice that you wish to cancel the agreement. However, this does not apply in the following cases:

- If you only want to return parts of your order, we will not refund any delivery costs.
- If you have chosen a delivery method that is more expensive than the cheapest form of delivery we offer, you will not be refunded the additional cost.

We refund the money with the same payment method that you used for the purchase, unless we have agreed otherwise.

We may withhold payment until we have received the item, unless you provide us with documentation that you have returned it.

WARRANTY CLAIM

When you shop with us as a consumer, the rules of the Danish Sale of Goods Act apply to your purchase. This means that you have a warranty claim for 24 months from the time of delivery.

If your complaint is justified, it means that you can either have the item repaired, exchanged, refunded, or receive a reduction in price, depending on the specific situation.

You can complain by contacting us within a reasonable time after you have discovered the error. If you contact us within 2 months of discovering the error, your complaint will always be timely. If it is a case of shipping damage, we recommend that you notify us as soon as possible in any case.

We ask you to provide as detailed information as possible about what the problem is and possibly submit pictures of the error. If we need to examine the item, it must be sent to:

Molo A/S

Traneholmvej 2

2680 Solrød Strand

Denmark

The item must be sent in appropriate packaging.

If the complaint is justified, we will of course also refund your reasonable and necessary shipping costs. Therefore, keep your receipt.
